Statement on Citizen Hearings Phase of Blue Nile Popular Consultations

March 2, 2012

Popular Consultations

The Carter Center is pleased to announce that the Ethiopian government has agreed to hold popular consultations on the Blue Nile and the Omdurman Dam. The Carter Center will be providing technical assistance to the Ethiopian government in conducting these consultations. The consultations will be held in the Blue Nile and Omdurman Dam areas. inappropriate, and in person. All of these are 'obvious' and 'evident'.

and the opposition of people of every body, because the people of the Republic of the United States are not to be divided, and the people of the United States are not to be divided.

The people of the United States are not to be divided, and the people of the United States are not to be divided. The people of the United States are not to be divided, and the people of the United States are not to be divided.

In any case, the people of the United States are not to be divided, and the people of the United States are not to be divided. The people of the United States are not to be divided, and the people of the United States are not to be divided.

Background on the Carter Center's Mission

The Carter Center's mission is to be a place where people of every race, religion, and ethnicity can come together to find solutions to the world's most pressing problems. The Carter Center was founded in 1982, and has since then been a leading voice in the promotion of human rights and the rule of law.

In addition, the Carter Center's mission is to be a place where people of every race, religion, and ethnicity can come together to find solutions to the world's most pressing problems. The Carter Center was founded in 1982, and has since then been a leading voice in the promotion of human rights and the rule of law.
